AOB

People asked about the progress of Park Run at Horspath and Richard reported it was coming along well.

Mark Bristow suggested that we enforce the ban on the use of the inside lane, which will wear out quicker than the rest of the track. It was agreed we would look at ways of doing this, but all coaches should tell their athletes about the rule.

Mark also suggested that we do some tree planting around the perimeter to increase shade, provide wind protection, and improve the look of the track. Gwyneth suggested beech, hornbeam, and cherry trees.

The meeting ended at 9.25pm

Date of Next AGM – set for Thursday **28th** November, 2019, at 8pm at the Clubhouse.

Richard Hart

Chairman,

November 29th 2018
