1. Treasurer's Report 2021 – was presented and accepted. Questions were asked about sponsorship, and it was agreed that the club would seek more commercial sponsors during 2022.
2. Chairman's Report 2021 – was presented and accepted. There followed a useful discussion about how we can tackle our growing junior waiting list, and also ensure that we are identifying talent correctly. There are mixed views of whether we should be more aggressive about recruiting the best, and whether this can be done without prejudicing our inclusive approach. Bryan, Elton, Jen and Susan are working on a plan to expand junior training and hopefully address some of these issues.
