

37TH SANDRA LUKE MEMORIAL
5 STAR AWARD
AND
TEN STEP COMPETITION

28TH MAY 2018

PROGRAMME

www.oxfordcityac.com

Welcome to Oxford City's 37th 5 Star and 10 Step Competition. The event is named in honour of Sandra Luke whose family competed for the club and who was a stalwart member of the club for many years, and who will always be particularly associated with this competition.

Thank you as always to the dozens of hardworking volunteers who will be working tirelessly throughout the day to ensure that the competition is a success. Lots of people are involved, but we always need more, so:

Volunteering

To ensure that a very long and complicated programme keeps moving, we need volunteers to help - raking sand pits, holding tape measures, or retrieving and returning throwing implements. The more people who get involved the easier things will be. So please don't hesitate to offer your services, either by speaking to the officials or by making yourself known to an Oxford City volunteer.

Five Star

In field events (except High Jump) each competitor will have three attempts. In high jump the starting height will be the lowest of the opening heights requested by the competitors (where practicable). The bar will be raised in increments of 5cm until only two competitors remain, when the increase in height will be agreed between the competitors.

Competitors must report for events at least ten minutes before the scheduled start time. Please listen out for PA announcements. Failure to report in time may result in elimination from the competition. Although the timetable has been prepared so as to minimise event conflict, should a competitor have to leave an event to participate in another, they should notify the official at the event they intend to leave. Officials will endeavour to allow competitors their full number of trials in field events. If a competitor misses a height in the high jump, the bar will not subsequently be lowered.

If you miss your event for any reason, please go to the Registration/Help Desk and explain the problem. We will do our best to ensure that you get a chance to complete all your events by putting you with another group (if possible).

Medals will be awarded at the end of the competition to the first, second and third boy and girl in each year group who achieve the highest scores for the 5 Star event. We are not producing 5 Star Certificates this year.

The Sandra Luke Trophy will be awarded for the outstanding 5 Star performance (boy or girl) and the Georgina French trophy for the outstanding performance by an athlete of the other sex.

Ten Step

All ten step competitors must meet at the assembly area 10 minutes before the start of each event. **DO NOT GO DIRECTLY TO THE EVENT!** The assembly area is behind the stand (see map in this programme). **In the cricket ball throw and standing long jump each competitor has three attempts. In the object pick-up, one timed run will be allowed. Athletes are reminded that the 800m is a 'jog' and that they shouldn't set off too fast! They will be paced over the first part of the race by some of our older athletes.**

All 10 Step Certificates and medals will be awarded after the last 10 Step event. There will be medals for all who take part, and medals for the three highest scoring boys and girls in the 10 Step Competition.

The Barrie Strange Trophy is awarded to the outstanding 10 Step Competitor.

Hot and cold food and a wide range of refreshments are available throughout the day in the upstairs bar.

Oxford City Athletic Club

We are delighted to be once again hosting our 5 Star and 10 Step Competition, now in its 37th year, and we welcome back many athletes and their families who have competed in past editions, or who have come along to help us with organising this event. Thanks go to all the volunteers from Oxford City AC, and other clubs too, who help us to put on this competition every year. Without you it would not happen.

Safety

Please observe basic safety rules. In particular:

- Keep outside the blue railing unless you are competing in a particular event
- **No footballs** are permitted within the stadium area
- Do not throw stones
- Do not cross the grass infield
- Do not cross the track without looking
- Do not play on the high jump or pole vault landing beds
- Do not throw javelin or discus until warning horn has sounded and you are instructed that it is OK to throw.
- Do treat equipment with respect
- Do listen for warning horns
- Do be observant
- Do report any safety worries to an official

Any athlete who fails to observe safety rules may be disqualified from the competition.

Please place your rubbish in the bins provided.

Do not walk in front of timekeepers during races.

Only competitors in a particular event should be at the event. Please watch from behind the blue railing outside the track. For the 10 Step events, parents are welcome to accompany their children to the event, but **MUST** first meet at the assembly area 10 minutes before the start of the event.

Do not attempt to converse with the result recorders. You will be asked to leave them in peace! If you have any queries with results or any other questions, please go to the Registration/Help Desk.

Hopefully you can stay to the end for the presentations. If not then medals will be posted on to you.

Finally, I hope you have a successful day and that everyone will enjoy a good sporting atmosphere.

Richard Hart
Chairman, Oxford City AC
